Development Cooperation Between Indonesia and The Islamic Development Bank 2016-2020

By
DEWO BROTO JOKO PUTRANTO
Director for Multilateral Foreign Funding, Bappenas

“Supporting Smart, High, and Inclusive Growth in Indonesia”
Seminar on Member Country Partnership Strategy (MCPS) for Indonesia

Jakarta, 16 May 2016
OUTLINE

• MACROECONOMY

• GOVERNMENT PRIORITIES AND DEVELOPMENT STRATEGY

• COOPERATION BETWEEN GOVERNMENT AND THE IDB
MACROECONOMY

- Indonesia is the 16th largest economy in the world and the largest OIC economy, with a gross domestic product (GDP) of US$889 billion (2014). As a G-20 member, Indonesia is playing key role in the global development agenda and promoting South-South Cooperation.

- Under RPJMN (2015-2019), there are several macroeconomy indicator, achieving:
  - GDP growth of 8% (from a 2014 baseline of 5.1%);  
  - improving human development index (HDI) from 73.8 to 76.3;  
  - reducing poverty rate from 10.96% to 7.0 - 8.0%;  
  - bringing down unemployment to 4 - 5%, and  
  - reducing income inequality (i.e. the Gini index from 0.41 to 0.36) by 2019.

- Further, plans to address regional disparities through interregional equitable development.
The Vision and Mission of National Development for 2005-2025 are:

“Indonesia That is Self-Reliant, Advanced, Just, and Prosperous”

Direction of The 2005-2025 Long Term Development are:

1. Realizing a society that has a noble character, sound moral and ethical values, and that is cultured and civilized;
2. Realizing a nation that is competitive;
3. Actualizing an Indonesia that is democratic based on the rule of law;
4. Realizing Indonesia that is secure, peaceful, and united;
5. Realizing development that is more equitable and just;
6. Realizing Indonesia that is comfortable and sustainable;
7. Realizing an Indonesia as a self-reliant, advanced, strong archipelagic nation on the basis of the national interest;
8. Realizing an Indonesia that has an active role in international relations.
## TRISAKTI AND NAWACITA

**VISION: REALIZING AN INDONESIA AS AN SOVEREIGN NATION, SELF-RELIANT AND STRONG PERSONALITY THAT IS BASED ON MUTUAL COOPERATION**

### STRONG PERSONALITY IN CULTURE

**3 Action Program**

1. Commitment to realize education as a means to national character building
2. To strengthen the United of Indonesia and social restoration
3. To build the soul of the nation through the empowerment of youth and sport
Development Strategy of Medium Term National Development Plan 2015-2019 (RPJMN)

Presidential Decree No.2 Year 2015

“Indonesia That is Sovereign, Independent and Personality based on Mutual Cooperation”

DEVELOPMENT NORM

1) Development for human beings and community;
2) Effort to increase welfare, prosperity, productivity should not lead to create a wider gap;
3) Main focus is addressed to increase the productivity of middle-lower society, without preventing, hampering, lowering, and reducing the flexibility of major actors to continue to be an agent of growth;
4) Development activity should not harm and decrease the environmental support and the balance of ecosystem.

3 DEVELOPMENT DIMENSION

HUMAN DEVELOPMENT DIMENSION
- Education
- Health
- Housing
- Mental / Character

MAIN SECTOR DEVELOPMENT DIMENSION
- Food Sovereignty
- Energy and Power Sovereignty
- Maritime and Marine
- Tourism and Industry

TERRITORIAL AND EQUITY DIMENSION
- Among Group of Income
- Among region: Village, Borderland, Outside Java, East Region

NECESSARY CONDITION
- Law Certainty and Enforcement
- Security and Peaceful
- Politics and Democracy
- Governance and Bureaucratic Reform

QUICK WINS AND OTHER CONTINUED PROGRAMS
The dominant sector between the GoI and the IDB are education sector (36%) and CDD (31%).

Source: Review Sector Distribution of IDB
Focus Area of Cooperation with The IDB in 2016-2020

Based on Member Country Partnership Strategy (MCPS) for Indonesia 2016-2020

Supporting Smart, High and Inclusive Growth

Thematic Area 1
Reducing Regional Disparities
- Energy
- Transport
- Urban Development
- Higher Education and Skills Development
- Private Sector Development

Thematic Area 2
Deepening of Islamic Financial Industry
- Supporting Financial Sector Regulators and Supervisors
- Strengthening Islamic Microfinance Sector
- Supporting Islamic Financial Institutions (incl. Zakat and Waqaf)
- Capacity Building

Thematic Area 3
Supporting Regional Integration
- Expanding Reverse Linkages
- Supporting Existing Regional Integration Programs
### Thematic Area 1
Reducing Regional Disparities

#### ENERGY

<table>
<thead>
<tr>
<th>GoI Development Plan Targets (RPJMN 2015-2019)</th>
<th>IDB Group Intervention Areas</th>
</tr>
</thead>
<tbody>
<tr>
<td>- Achieve electrification ratio of 97%</td>
<td>- Installation of new generation capacity (coal and/or renewable)</td>
</tr>
<tr>
<td>- Development of an additional 35 GW in addition to the ongoing construction of 7.4 GW</td>
<td>- Facilitate supply and installation of Transformers to support expansion and strengthening of Transmission Network</td>
</tr>
<tr>
<td>- Enhance Transmission Capacity by 108 GVA</td>
<td>- Expansion and strengthening of Distribution Network to increase accessibility</td>
</tr>
</tbody>
</table>
Thematic Area 1
Reducing Regional Disparities

**GoI Development Plan Targets**
(RPJMN 2015-2019)
- Development of 2,650 km of new regional and national road
- Increase road capacity of 4,200 lane-km
- Improvement of existing road capacity to 1,807 km
- Development of 1,000 km new toll road and preserve the current roads
- Build and expand 15 new airports and 9 cargo airports
- Build docks of lake and river crossings in 120 locations, 65 ports, and 50 units of new vessels

**IDB Group Intervention Areas**
- Local and Regional Road Networks
  (Development of trans South-South eastern Java Regional Roads, National Road Improvement in South and West Kalimantan, Road Improvement in Sulawesi Island and Major Cities)
- Airport and Port Development (PPP)
### Thematic Area 1
Reducing Regional Disparities

#### URBAN DEVELOPMENT

**Plan for Achievement**

**Goi Development Plan Targets**  
*RPJMN 2015-2019*

- Achieve ‘100 – 0 – 100’ (100% access to clean water, 0% slum, and 100% access to proper sanitation)
- Provide centralized wastewater infrastructure systems in 430 cities/districts (serving 33.9 million)
- Develop communal wastewater treatment in 227 cities / districts (serving 2.99 million)
- Improve waste management in 409 cities/districts

**IDB Group Intervention Areas**

- Sanimas Phase II
- Regional Sewerage System Development
- Construction and operation of waste water collection, treatment and disposal facilities
- Implement neighborhood and urban slum neighborhood improvement activities in urban wards/villages
## Thematic Area 1
Reducing Regional Disparities

### HIGHER EDUCATION AND SKILLS DEVELOPMENT

#### Plan for Achievement

<table>

<td>- Finance state of the art equipment</td>
</tr>
<tr>
<td></td>
<td>- Support on-job-training and apprenticeship programs</td>
</tr>
<tr>
<td></td>
<td>- Support R&amp;D</td>
</tr>
</tbody>
</table>
Thematic Area 1
Reducing Regional Disparities

PRIVATE SECTOR DEVELOPMENT
Plan for Achievement

GoI Development Plan Targets
(RPJMN 2015-2019)
- GoI plans to fill the 36% of infrastructure funding gap via private sector (incl. PPP) investments
- GoI plans to increase the role of private sector particularly in generating investments, creating employment opportunities and fostering innovation

IDB Group Intervention Areas
- Provide lines of financing to banks
- Support innovative trade finance products such as Structured Trade Finance
- Provide focused corporate investments in priority sectors such as agriculture, education, health and power
- Support export/import credit insurance business activities and provide political risk insurance for foreign direct investment
- Partner with banks and hence enabling MSMEs and Cooperatives to benefit from various financing
- Advisory on Hajj savings and management infrastructure
Thematic Area 2
Deepening of Islamic Financial Industry

ISLAMIC FINANCIAL INDUSTRY

Plan for Achievement

Goi Development Plan Targets
(RPJMN 2015-2019)
- Build strong Islamic financial sector
- Enhancing access to financial services including Islamic Finance from 4.12% in 2014 to 25% in 2019
- Develop sustainable livelihood for the poor through Islamic microfinance institutions

IDB Group Intervention Areas
- Assist in implementing the “Master Plan” for Islamic Finance Industry
- Establishing an Islamic microfinance Apex institution
- Establishment of an Islamic Inclusive Financial Services Board (IIFSB) and Assist in developing the Best Core Principles for Awqaf and Islamic microfinance
- Establishment of OJK Microfinance Center
- Assist Pilot Project on Integration of Zakat in CDD
- Training for Association of Islamic Banks
- Jointly develop book on BMTs with Universitas Sumatra Utara and OJK; and another on Islamic Monetary System jointly with Universitas Islam Sultanagong and Bank Indonesia
- i-FSAP: Undertaking a pilot project for the Islamic Financial Sector Assessment Program
Thematic Area 3
Supporting Regional Integration

**Gol Development Plan Targets**
*(RPJMN 2015-2019)*
- GOI to consolidate all activities to position Indonesia as a middle income country by positing it as a leading contributor to global development particularly among developing countries through its framework of South–South and Triangular Cooperation (SSTC)
- GOI to support IDB Reverse Linkage (RL)

**IDB Group Intervention Areas**
**REVERSE LINKAGES**
- RL programs in agriculture, poverty reduction, energy and mining, governance on fiscal and macroeconomic management, disaster risk management, and science and technology in IDB member countries.
- Coordinate with Center of Excellence (COEs) and other stakeholders for RL programs.

Plan for Achievement
GoI Development Plan Targets
(RPJMN 2015-2019)

- Indonesia introduced the establishment of ASEAN Economic Community (AEC) by 2020, which was later revised in 2015 and to be effective by the beginning of 2016. In order for the AEC to be successful, deeper intra-ASEAN integration is required, and for Indonesia, being the biggest economy in ASEAN, plans to take a leading role.

IDB Group Intervention Areas
REGIONAL INTEGRATION

- Support regional integration initiatives in the ASEAN region under existing platforms of Indonesia - Malaysia - Thailand Growth Triangle (IMT-GT) and Brunei Darussalam – Indonesia - Malaysia - Philippines East ASEAN Growth Area (BIMPEAGA).
- Support to development of cross border roads, ports, airports, energy transmission
- Support capacity development for provincial planners
Based on IDB pipeline projects 2016-2020, propose additional two sectors of IDB’s intervention, namely Health Sector and Agriculture Sector.
THANK YOU
